

Dear Ferrahian, Cabayan, Pilavjian family and friends,

After over 50 years of existence, it is clear that the greatest gift our school offers is the gift of a second family. Unfortunately our family has suffered a saddening loss with the passing of Anoush Kuyumjian (Gabrielian) class of 1988. In respect to the Kuyumjian family, who has dedicated many years of service to our school on the School Board, we will be postponing our school banquet from the original date of February 20, 2016 to Saturday, May 7, 2016.

We are sure you will understand this decision and continue to support our school and make adjustments to attend the banquet on this new date. The annual school banquet is an important part of our fundraising as well as an event that celebrates our successes and an opportunity to get the 'family' together to have a good time.

We look forward to seeing you all on May 7th.

Respectfully
School Board and Banquet Committee
