

Math Summer Assignment

Mr. Sarrafian

AP Calculus:

- Texas Instruments Graphing Calculator, TI-83 or above (DO NOT BUY A CASIO)
- **Notebook** of choice for notes and homework assignments, and some **organizational folder** to store and organize worksheets
- Plenty of pencils, pens, and erasers. Ruler if desired

Pre-Calculus:

- Texas Instruments Graphing Calculator, TI-83 or above (DO NOT BUY A CASIO)
- **Notebook** of choice for notes and homework assignments, and some **organizational folder** to store and organize worksheets
- Plenty of pencils, pens, and erasers. Ruler if desired

Algebra 2:

- Texas Instruments Graphing Calculator, TI-83 or above (DO NOT BUY A CASIO)
- **Notebook** of choice for notes and homework assignments, and some **organizational folder** to store and organize worksheets
- Plenty of pencils, pens, and erasers. Ruler if desired

Algebra 1:

- Texas Instruments scientific calculator, as long as it has the sin, cos, and tan buttons
- **Notebook** of choice for notes and homework assignments, and some **organizational folder** to store and organize worksheets
- Plenty of pencils, pens, and erasers. Ruler if desired

Geometry:

- Texas Instruments scientific calculator, as long as it has the sin, cos, and tan buttons
- **Notebook** of choice for notes and homework assignments, and some **organizational folder** to store and organize worksheets
- Plenty of pencils, pens, and erasers
- Ruler, protractor, and compass. We do not have enough for a class set and students need to bring their own!
